WHEREAS, prior to commencement of administrative enforcement action based upon the alleged violations by service of a Notice of Hearing and Statement of Charges, the Department and the Respondent engaged in settlement discussions; and

WHEREAS, the parties wish to resolve this matter by means of a settlement instead of an adversarial administrative hearing.

NOW, THEREFORE, IT IS STIPULATED AND AGREED AS FOLLOWS:

1. This matter is settled and discontinued with prejudice. The Department shall not pursue administrative enforcement action against the Respondent pursuant to Article 28 of the Public Health Law and 10 NYCRR Part 415 in connection with the Department's findings based upon the inspections completed on March 2, 2001, August 9, 2001, October 10, 2001 and September 16, 2003.

2. The Respondent admits that substantial evidence of violations of 10 NYCRR Part 415 existed under the citations set forth in the attached addendum. The foregoing admission made by the Respondent is solely for the purpose of resolving the instant administrative matter and is not intended for use in any other forum, tribunal or court. Any such admission is without prejudice to the Respondent's rights, defenses and claims in any other matter, proceeding, action, hearing or litigation not involving the Department. It is agreed that the foregoing admission is not intended to be used dispositively or otherwise, regarding any

allegations of medical malpractice that may be made in a civil action for monetary damages.

3. This civil penalty shall be sent by certified mail, return receipt requested, and shall be made payable by certified check to the New York State Department of Health and forwarded to the New York State Department of Health, Bureau of Accounts Management, Room 1258, Corning Tower, Empire State Plaza, Albany, New York 12237-0016. Any civil penalty not paid by the date prescribed herein shall be subject to all provisions of law relating to debt collection by the State of New York.
